Reach 1000's of Potential Customers With
PANGO MERCHANT CLUB

Pango Merchant Club was created to connect businesses with potential customers parking nearby. With advanced Geo-Targeted advertising, the Pango app drives customers to your door! Pango uses smart technology and years of professional parking experience to innovate the way we park today.

How it works

Advertise Your Company Information | A Coupon | Parking Validations

USER PARKS
The user parks and Uses Pango to pay for parking.

MERCHANT AD'S
A listing of all Pango Merchant Ad's that are within a zone of where they are parking.

REVIEW OFFER
Your offer shows on the screen every time the user views the Pango App.

SELECTS OFFER
The user chooses the offer they want or the one that offers the best discount on Parking through validations.
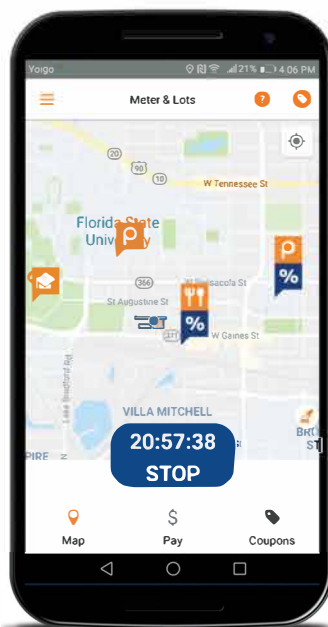

VALIDATION CODE
A way to attract more customers is to offer them a discount off their parking fee when they make a purchase from you.

RETURNING CUSTOMER
Offering a special discount to Pango user or parking discounts through validations create returning customers
