Dear Councilors,

TODD LOOBY  
Bend Film  
*Director*

Thank you for taking the time at your work session on 10/21/2020 to discuss the need for restrooms in Downtown Bend & the Brooks Promenade project.

JULI HAMDAN  
Joolz  
*Director*

The absence of public restrooms in Downtown Bend is a problem. Absorbing the public's need for a restroom creates unreasonable hardship and expense for our downtown businesses.

ANGELA SALIDO  
Outside In  
*Director*

This is a complex issue, and we need the City's help to solve this problem.

SARAH WORLEY  
Good Drop Wine Shoppe  
*Director*

Year after year Downtown Bend continues to be rated as one of the top tourist destinations in all of Central Oregon. As such, it is our responsibility to provide our visitors (and our locals) with a remarkable experience during their visit. This begins with the most basic of necessities, restrooms.
